Our Mission

Healthy, casual food at fair prices. Yes, it really is that simple.

Our Menu

We offer a wide range of sandwiches, salads and soups, made with the freshest ingredients. Most of the items on our menu can also be made without animal products for our vegan friends. It took us many years to develop the recipes and find the right suppliers to deliver the quality and consistency we were after. We hope you enjoy our food as much as we enjoy making it fresh every-day for our customers.

Yes, We Cater!

We have plenty of experience catering business luncheons, parties, and other events. Contact us for more information.

We Deliver, Too!
